

CatholicMom.com Gospel Activity – Celebrating Our Catholic Faith **Religious Education Lesson Plan Helpers by Laura Grace**

Please note: Some of our lesson plans contain links to Christian, non-Catholic resources. When preparing your lessons, we urge you to inform yourself on the teachings of the Catholic Church with respect to the Sunday gospel and readings. If you find links in any of the lesson plans which may be counter to the teachings of the Church, please notify lisa@catholicmom.com. These lesson plan helpers are designed to assist you in pulling together creative ideas and activities to supplement your lesson plan, but are not designed to be catechetical in nature. Thank you for your continued prayerful support.

Games

Review all past lessons with the following games:

Baseball

Divide the class into two teams. Establish in the classroom, a first base, second base, third base, and home. Determine in advance how many innings will be played. Team #1 is up at bat first and line up along the chalkboard. The first player is asked a question from the teacher, if they are correct, they advance to first base. If they are incorrect, they go to the end of the line and it counts as an out. The second batter is then asked a different question. Each correct answer allows the batter to advance one base. The game continues like baseball until there are three outs. After three outs, Team #2 has their turn at bat. Whichever team has the most runs, wins.

Basketball

Need: one small ball (or two balled up pieces of paper), two chairs, one trashcan.

Directions: Put a trashcan against a wall. Divide the class into two teams. Have students line up in two teams behind a chair (to keep them from getting too close to basket). Ask the first person in Team #1 a question. If they are correct, they get to try to make a basket. If they make a basket, their team gets a point. If they do not get a basket, their team does not receive a point. After the first player has his turn, he then goes to the end of Team #1's line. It is now Team #2's turn. The team with the most points wins.
