

Baptism of Jesus

Directions: The objective of the game is to get to the Baptism of Jesus first. Place your markers on “START”. The player rolls the die and moves that number on the board. The player then follows the directions on the square they landed on. If they land on “Wild Card”, the player will state how many spaces they want to move ahead (between 1 & 4). Then the player to their right draws a card and reads the question out loud. (If they cannot read, the teacher or someone else can read it for them). On each card is a question about the Baptism of Jesus. If they answer correctly, they get to move how many spaces they wanted. If they are not correct, they go back that many spaces. The first player to FINISH wins. Continue playing to find out who comes in second, third, fourth, etc. place.
