

CatholicMom.com Gospel Activity – Celebrating Our Catholic Faith Religious Education Lesson Plan Helpers by Laura Grace

Please note: Some of our lesson plans contain links to Christian, non-Catholic resources. When preparing your lessons, we urge you to inform yourself on the teachings of the Catholic Church with respect to the Sunday gospel and readings. If you find links in any of the lesson plans which may be counter to the teachings of the Church, please notify lisa@catholicmom.com. These lesson plan helpers are designed to assist you in pulling together creative ideas and activities to supplement your lesson plan, but are not designed to be catechetical in nature. Thank you for your continued prayerful support.

Games

What's Wrong- A fun game to that you could change to having the students learn prayers.

Prayer Review:

1. Say a line from a prayer and have the students say the following line. Go back and forth until the prayer is finished.
2. Have the students sit in a circle. Tell the students that they are going to recite the ___ prayer. Have each student say one word in the prayer and the next person will say the following word. If someone makes a mistake or gets stuck, he or she begins over again with the first word of the prayer. The last person that says, "Amen" finishes the prayer.
3. Ball Pass: Have the students sit in a circle. The teacher turns her back to the students and she says, "Pass, pass, pass." The students then pass a ball to their right around the circle. When the teacher says, "Stop," the child holding the ball and the person to his right and left say the prayer together.
