Please note: Some of our lesson plans contain links to Christian, non-Catholic resources. When preparing your lessons, we urge you to inform yourself on the teachings of the Catholic Church with respect to the Sunday gospel and readings. If you find links in any of the lesson plans which may be counter to the teachings of the Church, please notify lisa@catholicmom.com. These lesson plan helpers are designed to assist you in pulling together creative ideas and activities to supplement your lesson plan, but are not designed to be catechetical in nature. Thank you for your continued prayerful support.

What We Do at Mass

Children Discover the Mass: Lessons, Crafts, Cutouts, and More by Mary Doerfler Dall. A fantastic book to help you teach young ones all about Mass! 28 full lessons broken into 5 categories explaining to the students the parts of Mass and what happens. This book helps children understand what we say and do during Mass and why. Each lesson is thoroughly thought out with background, what to say to the students, craft with step-by-step directions with illustrations and patterns, and review questions. The students will learn the roles of the priest, the other liturgical ministers, and the community. The students will also learn the responses as well as all of the other rituals and actions that take place during the liturgy. The book also includes a 32 page missal, "My Mass Book" for the students to color, fold, and take with them to Mass. Also in "My Mass Book" are the written responses to help the children participate in Mass. Children Discover the Mass is spiral bound to make copying easier.
