Stations of the Cross Bingo

***Please note:** Some of our lesson plans contain links to Christian, non-Catholic resources. When preparing your lessons, we urge you to inform yourself on the teachings of the Catholic Church with respect to the Sunday gospel and readings. If you find links in any of the lesson plans which may be counter to the teachings of the Church, please notify lisa@catholicmom.com. These lesson plan helpers are designed to assist you in pulling together creative ideas and activities to supplement your lesson plan, but are not designed to be catechetical in nature. Thank you for your continued prayerful support.*

Need: Poster board, milk caps to be markers.

Directions: Cut poster board into bingo card size and draw a bingo board consisting of at least 9 squares. In the squares put an answer from the Stations of the Cross Bingo questions. (Put clear contact paper on the cards and they will last for years).

Students play regular bingo, but they answer questions about the Stations of the Cross. The teacher asks one student at a time a question about the Stations of the Cross. The student answers the question and the class looks for the word on their bingo card. The first student who gets three in a row (up, down, across, or diagonal) on their bingo card first, wins.

(If needed, students can use a booklet of the Stations of the Cross to help them).
