

# MOSES

Place your markers on the "START" square. The first player rolls the die and moves the number on the board. The player follows the directions on the square they landed on. (If they cannot read, the teacher or someone else can read it for them). Two players may share one square at a time. If they land on a "Draw a Card", the player to their right draws a card and reads the question out loud. On each card is a question about Moses. If they answer the question correctly, they stay where they are. If they are not correct, they must go back to where they were. The first player to FINISH wins. Continue playing to find out who comes in second, third, fourth, etc. place.
