Directions: The objective of the game is to collect 7 sacrament cards by answering questions about each sacrament. Place your marker on the START square. The player rolls the die and moves that many spaces on the board. If the player lands on a question space, the teacher asks them a question from the list about one of the sacraments that the person does not have a sacrament card of. If the player is correct, they collect the corresponding sacrament card that the question was about (the players place their sacrament cards face up in front of them so the teacher knows what kind of sacrament question to ask). If the player is not correct, they do not collect a card. If the player lands on “Return a Card” they must return a sacrament card. Players must collect a sacrament card for each sacrament as they move around the board. Note that the board is set up so you can move around it many times. The first player to collect all 7 sacrament cards, wins. Continue playing to find out who comes in second, third, fourth, etc. place.
