

Liturgical Bingo

Need: milk caps to be markers, bingo cards

(Print bingo cards out on card stock. Laminate or cover with clear contact paper to make them last.)

Directions: Students play regular bingo, but they answer questions about Liturgical items used at Mass. The teacher asks one student at a time a question or clue from the list below. The student answers the question and the class looks for the word on their bingo card. The first student who gets five in a row (up, down, across, or diagonal) on their bingo card first, wins.

(Do not do the questions and clues in order.)
