

Greatest Show on Earth Puppet Show

Sissy	And now for the greatest show on earth! Tada! (<i>dancing and singing</i>) Oh baby, I've got some moves, yeah!!!
Pinky	Hey, Sissy?
Sissy	Yeah, Pinkie...
Pinky	What are you doing?
Sissy	I'm doing a very exciting show about me! I'm very talented, you know. I can sing and dance and I'm verrrrry beautiful. Don't you think my red hair is verrry beautiful? HmMMM?
Pinky	It is nice.
Sissy	I'll bet you wish you had beads in your hair like I have.
Pinky	I like my brown braids.
Sissy	But my hair is cool, cool, cool and floppy, floppy, floppy baby!!!! Oh! Time for my beauty nap... (<i>flops down and snores</i>)
Pinky	Oh dear. Sissy? Sissy? Gee she's really sleeping. That's pretty amazing. Do you guys take naps? Me, too. But I usually sleep in my bed with my blankie. My sister can flop down and sleep anywhere! Look at that. I bet we could make a lot of noise and she would keep on sleeping. Let's try it! Let's all yell "wake up!" One two three... Wake up! Nope, still sleeping. Let's try again. What should we yell? You have mashed potatoes on your head? Your nose is turning into a balloon? (<i>yells whatever kids want</i>)
Sissy	(<i>leaping up</i>) Hey! You woke me up from my beauty sleep! I need all of my beauty nap, every day, to stay so gorgeous! Be quiet so I can sleep! Good night! (<i>flops down</i>)
Pinky	She's out again. I don't think she needs any beauty sleep, do you? I think she's already very pretty. She worries too much. I wonder when she'll wake up...
Sissy	(<i>leaping up</i>) I'm up! And now for the greatest show on earth! Tada! (<i>dancing and singing</i>) Oh yeah, I'm looking good... Oh baby, I've got the moves, yeah, yeah!
Pinky	Sissy?
Sissy	What is it this time, Pinkie?
Pinky	Why are you acting so kooky?
Sissy	Kooky! I'm not acting kooky. I'm showing everyone how talented and beautiful I am.
Pinky	Why?

Sissy	<i>(pauses, confidentially)</i> So they'll like me.
Pinky	I like you. And I don't care if you're talented or beautiful.
Sissy	Well, you're my sister. Of course YOU like me. But what about those kids over there?
Pinky	I think they'd like you if you were just... nice.
Sissy	Really? You mean I don't have to be super cool and gorgeous and give them candy and money and stand on my head and eat worms to make them like me?
Pinky	No, silly. Just be nice. Some people will like you and some people won't. But all that other stuff is just silly.
Sissy	Are you sure they're nice children?
Pinky	Yes. They're <i>very</i> nice children. They have nice manners – look how well they're listening. I'm sure they'll like you if you just treat them kindly.
Sissy	Are you sure?
Pinky	Pretty sure. Why don't you ask them?
Sissy	I can't. <i>(hides behind Pinky)</i>
Pinky	Why?
Sissy	I'm feeling very shy all of a sudden.
Pinky	Would you like a hug?
Sissy	Yes, please.
Pinky	I love you, Sissy. You don't have to sing or dance or wear beads in your hair. I'll always be your sister and I'll always be your friend.
Sissy	But I like beads in my hair!
Pinky	That's fine! The beads are very pretty. But they don't make me like you more! It's your heart that matters to me. I love you!
Sissy	<i>(sighs, thinks it over)</i> Thank you Pinkie. You've given me the courage to meet these nice children. Hello! I'm Sissy! I have a really cool sister named Pinkie! Would you like to meet her? Here she is!
Pinky	Oh, hello children. I am happy to meet you. Isn't my sister adorable?
Sissy	Oh, thank you Pinkie. You're the best friend I've ever had.
Pinky	This makes me want to sing a song!
Sissy	Oh, yes! I love singing!
Pinky	Let's hit it!

Sissy	Dada-tada-dadah! (<i>to the tune of Twinkle, Twinkle, Little Star</i>) I love you straight from my heart...
Pinky	You don't have to be pretty or smart...
Sissy	You're part of my family...
Pinky	To my heart you hold the key...
Sissy	I love you both night and day...
Pinky	Come on Sis let's go and play!
Sissy	Yeah! Let's go! Hey, ya want me to put some beads in your hair?
Pinky	Sure, come on! Bye kids!

The End
