

Jesus is Food for Our Souls Puppet Show (John 6)

Minnie	I'm hungry.
JoJo	Me, too.
Minnie	I wish Mommy would just hurry up with cooking dinner.
JoJo	Me, too.
Minnie	I'm so hungry I could eat bugs.
JoJo	Gross.
Minnie	I'm so hungry I could eat my leg.
JoJo	Gross!
Minnie	I'm hungry.
JoJo	Me, too.
Minnie	Mommy!
(voice)	Yes, dear?
Minnie	Can you hurry it up? We're hungry!
JoJo	Yeah, hungry!
(voice)	Well, I'm doing the best I can. I'm not a miracle worker, you know!
Minnie	<i>(sigh)</i>
JoJo	<i>(sigh)</i>
Minnie	I'm hungry.
JoJo	Is there a prayer for being hungry?
Minnie	A prayer?
JoJo	Yes. Jesus helps us with everything, doesn't He?
Minnie	I guess so.
JoJo	Well, then, there should be a prayer for being hungry. He could fill up our stomachs and make us feel better.
Minnie	He did that, you know.
JoJo	Filled us up?
Minnie	No. I mean yes, I mean... well, remember the story of the loaves and the fishes?
JoJo	Yes! Jesus only had a little food, but then He blessed it and gave it to the thousands of hungry people and fed them all!
Minnie	With lots left over!
JoJo	That was cool.

Minnie	Yeah. But do you know what they did after that?
JoJo	What?
Minnie	They followed Him around wanting more food.
JoJo	They must have been hungry, like us.
Minnie	Yeah. But I think they kind of missed the point.
JoJo	Did Jesus keep doing the miracle over and over again?
Minnie	Nope. He told them not to worry so much about regular food. He said that He wanted to give them a Special Bread from heaven and that if they ate that Special Bread, they would never be hungry again!
JoJo	Wow. I wish I had that Special Bread.
Minnie	You will!
JoJo	I will?
Minnie	Yes! When you receive Holy Communion; Jesus' Body, Blood, Soul and Divinity.
JoJo	Oh, right! Jesus' body is the Special Bread for our souls! Soul food! (<i>dances</i>)
Minnie	And you'll receive the special drink from heaven, too!
JoJo	Right! Jesus' blood! (<i>dances</i>) Soul drink!
Minnie	Yeah. Jesus gives His whole Self to nourish our souls and help us into heaven!
JoJo	That is so cool. So our souls will be filled up and will never be thirsty or hungry again.
Minnie	Yeah. But not our tummies.
JoJo	Not our little bellies.
Minnie	I'm hungry.
JoJo	Me, too.
(voice)	Come to dinner, girls!
Minnie	Belly food!
JoJo	Tummy treats!
Minnie	Waaaahhooooey! I'm gonna eat you up, right now! (<i>exit</i>)
JoJo	Yeeehhhaaaaa!!!! Me, too!!!! Look out food, here we come!!!! (<i>exit</i>)

The End
